## Call for Papers

**EKSU Journal of the Management Scientists (ejms)**, is a bi-annual journal and one of the official journals of the Faculty of Management Sciences, Ekiti State University, Ado Ekiti, Nigeria. The journal is published both in hard and soft copies. **As a university-based journal**, it is also a double blind peer reviewed journal that publishes theoretical, empirical and experimental papers that contribute significantly to the disciplines of Management Sciences and Economics. These we achieve by using a wide range of research methods including statistical analysis, analytical work, case studies, field research, literature surveys and historical analysis. Articles examining significant research questions from a broad range in Accounting, Banking and Finance, Economics, Management, Marketing, Insurance, Education and other related fields are encouraged to be sent.

All papers are subjected to peer-review by members of the editorial board or other senior academics by the use of double blind peer review system. If accepted, the papers will be published in the issue of the current volume. The journal welcomes the submission of manuscripts that meet the general scope and criteria of publication of the Faculty of Management Sciences, Ekiti State University, Ado Ekiti, Nigeria.

Our peer-review is highly rigorous and but takes just a few weeks. Authors are carried along adequately in all the publication processes.
